Broxbourne Lottery

The Broxbourne Lottery is set up and 100 tickets have already been sold equating to annual income for the school of £2600 if yearly membership continues.

We have shared the link of the PTFA Facebook Page and it was agreed that we would ask Mr Gaidoni to add it to the PTFA tab on the school website. Regular updates of tickets sales and any winners will be made via the Facebook page.

Charity Status

Deb (O) ran through the process of becoming a registered Charity. There are points that need to be discussed and agreed with the School to make sure that the obligations of being a Charity are met. It was agreed that a separate meeting would need to be held to progress this application further.
