Welcome Back!

I would like to thank Lucy Bridgeman, the PTFA Team and all of you for helping to raise a whopping £16,910.33 in the last school year. This year we need to keep the momentum going and raise even more. We have considered previous comments and following a meeting with Mr Gaidoni it has been agreed that this year we would like to fund the installation of Security Gates for our school. I think you will agree that this is a very good cause. 70% of all monies raised from this year's events will go straight towards this. If you cannot make an event but would like to make a donation to the Security Gates Fund then please put your donation in an envelope marked PTFA-Security Gate Fund. The remainder of any funds raised will continue to be spent funding workshops, equipment, books and other extras for our children. We will keep you up to date with our efforts using the Facebook Page, the Noticeboards and via the Class Reps. We are always happy to have your help, your contacts and your donations so please keep in touch.
