

Have you ever seen this symbol on any of the food that you eat?

Do you know what fair trade means?

- **Fair Trade is all about making sure that the people who grow or make the things we buy get a fair price for what they do.**

The [Oxfam 'Cool Planet' website](#) has lots of useful information about fair trade and what we can do to help, and also has some stories which show how farmers around the world are being helped.

Why not visit [The Fairtrade Foundation website](#) to find out more?
