Mr G. Gaidoni

5th May 2017

Dear Parents and Carers,

Overdue, lost or damaged books

Now that the school library is up and running we would like to clarify our process for dealing with overdue and lost books. Reminders will be sent out to those children with overdue books. These reminders are for your information only and not a request for payment. If your child has lost a book or has failed to return it after repeated reminders, a letter will be sent out requesting that the book be replaced. Please be advised that unfortunately our library system does not allow any further loans to borrowers who have an overdue item.

Naming items of school clothing and other accessories

Please could we ask that all items of school clothing, PE kit, lunchboxes and other items be named. A significant number of items are making their way to our lost property as they are not named. In addition, many children have the same lunchbox and it would help to avoid confusion and delays at lunchtime, if all lunch bags were also named. Thank you for your cooperation.

Sainsburys Active Kids vouchers

Sainsburys have now stopped issuing these for this year. Please could you send any vouchers you have collected into school by the end of May so that we can order our Active Kids equipment before the deadline. Many thanks for your support.

eSafety Newsletter

Please be aware that the latest eSafety newsletter is available to view on our school website by following the eSafety information link on our Parent Page.

Diary dates

These are available to view on our website and have been updated with some new events. Please note the dates for our sports week in particular.

Fidget Spinners

We are aware that a new craze is emerging across the country's schools, namely Fidget Cubes and Fidget Spinners. Whilst these are harmless toys, they are toys nevertheless and as such are not to be brought into school. Thank you for your cooperation.

Yours sincerely,

Mr G. Gaidoni
Headteacher
