Mr G. Gaidoni

21st November 2017

Dear Parents and Carers,

PTFA – Friends of Fairfields Christmas Bazaar

A huge thank you to the PTFA who organised another very successful Christmas Fete last Friday. We hope you managed to find some early Christmas presents. Thank you to everyone who helped with, or supported, this event. We have raised over £2000 (final figure to be announced shortly) which will go towards resources for the children.

Multicultural Food Table at Christmas Bazaar

Our table of foods from countries within our Fairfields' community was a roaring success. Many countries were represented and people were flocking to the tables. We had very little left over. People were enjoying new tastes as well as revisiting many foods from their travels. We made a total of £148.40 which will go towards resources to develop an awareness and celebration of our various cultures. Thank you for your support. Mrs Richards and Mrs Abouchacra.

Data Collection and Image Consent Forms

Please could you send in your completed forms. It is particularly important that we know if you have given your consent for your child's photograph to be taken.

Anti-Bullying Week and eSafety (Cyberbullying)

As part of our Anti-Bullying week last week, the children were reminded of the need to be careful on the internet and to report any incidents of cyberbullying to a trusted adult. We have attached a letter with some information on eSafety and Cyberbullying. There is more information on our website.

Scholastic Bookfair

The Bookfair is coming on the 6th of December and will be at school until the 12th. There will be a good selection of reduced-price books for all ages. The bookfair will be situated in the dining area each day after school.

Adventure Trail

Another reminder that the adventure trail must not be used before or after school for reasons of health and safety. Children seen playing on the equipment will be asked to stop. Thank you for your cooperation.

Yours sincerely,

Mr G. Gaidoni,
Headteacher
