

Make online payments to school via credit or debit card

Use School Gateway to make online payments with a debit or credit card any time 24-7, via smartphone app or website. You can also view school meal balances and top them up. Plus, you can give online consent where required, for your child to take part in school trips and other activities.

To make things easy, we notify parents of new items for payment by text or email.

Aside from saving the school time and money on administration, School Gateway also makes paying for school items easier and more flexible for parents and reduces the amount of cash being carried by children on school premises. We would encourage you to use it as part of our move towards becoming a cashless school.
